Safe Schools: Bullying Prevention and Conflict Management

Date: December 5, 2011

Location: ROE 30 Annex

Fee: Free

Lunch: Provided On-Site

Time: 8:15 am – 8:30 am – Registration
8:30 am – 3:30 pm – Workshop

Session limited to 30 participants
Registration deadline is November 28th.

This workshop is designed to teach concrete, immediate, and experiential prevention and intervention skills that deal with the issues of conflict, anger, and bullying. Educators will learn what triggers conflict and anger; examine various conflict styles; explore competition as a possible root of conflict. This workshop offers concrete information on appropriate limits and boundaries; and makes clear the difference between assertive and aggressive behavior.

Expectations / Learning Objectives Participants will receive time-proven and practical daily strategies. Topics covered include:

1. Receiving updated data on violence trends in America's schools
2. Examining patterns of bullying
3. Learning skills to help schools prevent bullying
4. Learning skills to stop the cycle of harassment and bullying
5. Conducting conflict and anger self-assessments
6. Examining the conditions for harassment, bullying and violence
7. Examining the effects of violence on victims
8. Practice intervention strategies

About the presenters: The Illinois Masonic Foundation Student Assistance Program has been providing high quality Student Assistance Program Training to educators in Illinois since 1990. Over 10,000 teachers have been trained, 450 schools served, and thousands of students helped through SAP teams and the charitable commitment of Illinois Masons.
